OFFICE OF PETITIONS

Dear Sir:

In response to the Office Action mailed on July 6, 2000, having a statutory response deadline date of January 6, 2001 with a three (3) month extension of time, transmitted herewith is a copy of the response and accompanying papers as originally deposited with the United States Postal Service under 37 CFR 1.8 on December 26, 2000.

To the extent that the above reference application is considered to have been abandoned on January 6, 2001, for failure to respond to the above mentioned Office Action within the specified time period, Applicants wish to petition the Commissioner to Revive the Unavoidably Abandoned

Application under 37 C.F.R. § 1.137(a) for the purpose of continuing prosecution and having the enclosed response to the Office Action accepted. Applicants' attorney hereby offers the following statement of facts in support of this petition:

The above referenced response, along with a request for a three months extension of time, were timely filed on December 26, 2000 under 37 CFR 1.8.

The entire envelope containing the documents was improperly returned by the U.S. Postal Service to our office on January 8, 2001. The envelope bore the indicia "Return to Sender: Insufficient Address." Copy of the envelope, as returned, is enclosed.

Of course, the address used by the Applicants on the label of the envelope was in fact correct: "Assistant Commissioner for Patents, Washington D.C. 20231."

As a result of the U.S. Postal Service error, the response was not considered filed by the PTO on December 26, 2000, thus the application is now considered abandoned.

A check in the amount of \$55.00 in payment of the above petition to revive unavoidably abandoned application (based on small entity) is also included herewith.

However, based on the facts stated above, Applicants believe that no fee is due, since the mistake causing the late response and the subsequent

"abandonment" were not the fault of Applicants, and request that the check in payment of the Petition to Revive be returned to the Applicant.

However, the Commissioner is hereby authorized to charge any additional fees (or credit any overpayment) associated with this communication to Deposit Account 08-1641, referencing Docket No. 26767-1000.

Respectfully submitted,

Soodabeh Tronson
